## TO PARENTS

School will close and your boy will have weeks of freedom ahead of him. What will he do? How will he spend the leisure time that is rightfully his?

The answer to that question is Camp Barstow—  
Because:

- (1) Your boy will be developed physically and mentally in the great outdoors. His play will be under the leadership of men who have been trained to give him a full measure of enjoyment while learning woodcraft, nature study, swimming and hiking.
- (2) This camp has physical lay-out second to none in the country with a fully equipped emergency hospital, supervised by a graduate physician.
- (3) The program is well rounded, giving at all times consideration to character development, physical culture and wholesome amusement.
- (4) Absolute safety measures are constantly practiced on our waterfront and all precautions have been taken to safeguard against accidents.
- (5) Our mess is under the supervision of a food expert and staff who serve wholesome and appetizing food at all times.
- (6) Careful supervision of a Scout's religious life on a non-sectarian basis finds a prominent place on our program.
- (7) Camp Barstow is NOT operated for profit, therefore every dollar taken in goes toward promoting a better summer for the Scout.
- (8) Nine sleeping shacks with cot-pads on steel cots, housing eight Scouts each have been erected. All are screened.

## VISITORS ALWAYS WELCOME

## CAMP!

That's the magic word that spells the difference between an uninteresting day, trying to find something to do in the city, and an eventful day, out in the great out-of-doors.

Here you have a camp that puts the OUT in ScOUTing—that gives every Scout an opportunity to really live out in the open—getting some of the thrill of the Scouts of old—against a background of pine trees, wide open spaces, and blue skies..

How would you like to sit around a blazing camp-fire at night, listening to a thrilling tale of adventure?

Or wouldn't it be great to go in swimming every day?

And what fun it would be to take an adventure hike up through the trails of Camp Jackson and perhaps sleep out under the stars.

How about a swim in the "ole pool"—a big treasure hunt—or an Indian pow-wow?

And then there are those tests that you have been wanting to pass for some time.

Read on—and we will tell you how it is done.

## LEADERSHIP

A most important consideration in any boy's camp is its leadership. Without that, a camp with the finest equipment possible would be a failure.

Men selected for leadership at camp are of the very highest type, considered not only from the standpoint of character and knowledge of Scoutcraft but also because of their understanding of boys and experience in boy leadership.

## CAMP PERIODS

## ACTIVITIES

Camp Barstow, under the auspices of the Central South Carolina Council, Boy Scouts of America, offers a program second to none in the country. The activities are under the expert leadership of young men who have given much time and thought to their work, and a Scout in camp may select those things that most appeal to his particular needs. These boys are learning by doing and the great success of the camp during the past season of our effort is a fair index to the splendid results obtained through these activities.

### CAMP FEE AND TRANSPORTATION

The Camping Committee has placed the fee at \$1.00 per day and each Scout will have to register for not less than a week. This includes all camp expenses, except goods bought for use in "Craftwork." This will be charged for at the same rate as it is bought, i. e. wholesale. In other words, the cost is \$7.00 per week. There are no other extra charges in camp.

Scouts provide own transportation to and from camp.

### TROOP CAMPING

This year a new form of "Troop Camping" will be installed. At certain intervals each cabin, under competent leaders will camp out and work on projects that will be assigned to the different groups. This promises to be very interesting.

### PHYSICAL EXAMINATIONS

Don't forget to see the Doctor. He should sign your Application, so we'll know it's O. K. for you to take part in all the programs that will be given in camp for you. This is essential before you can enter Camp Barstow.

## WATERFRONT

The diving tower, springboards and platforms that have been erected in Lake Urquhart last year sure will make swimming a REAL pleasure.

The Lake will be divided into different sections for all classes of swimmers such as—Beginners, Splashers, Swimmers, Advance Swimmers—You won't recognize the "ole swimming hole!"

Ropes will mark off the areas and serve for Life Lines in cases of emergency. Life guards on duty at all times.

### SWIMMING

All swimming is done under the personal supervision of an adult Red Cross Life Saving Examiner and his crew and no Scout is allowed near the waterfront except during regular swimming hours. No accidents have ever occurred at the Camp Barstow waterfront, due to the constant vigilance of the Life Saving Crew.

### CANOEING AND BOATING

Camp Barstow is fortunate in possessing a flotilla of splendid canoes from which campers derive a great deal of pleasure. Expert canoeists hold regular classes in paddling and handling and water sports and canoe games are frequently added to the weekly program.

Instruction is also given in rowing and the camp boats are used by the campers every day throughout the season.

All canoeing and boating is done under the supervision of the Life Saving Crew.

### CAMPFIRE CEREMONIES

"Around the Blazing Campfire" we will have some real programs. These ceremonials that are provided for the Scouts give them the chance for self-expression and poise, which is essential in "Character Building and Citizenship Training."
