A WORD TO PARENTS

School will close and your boy will have weeks of freedom ahead of him. What will he do? How will he spend the leisure time that is rightfully his? The answer to that question is Camp Barstow—

Because:

(1) Your boy will be developed physically and mentally in the great outdoors. His play will be under the leadership of men who have been trained to give a full measure of enjoyment while learning woodcraft, nature study, swimming and hiking.

(2) This camp has physical lay-out second to none in the country with a fully equipped emergency hospital, supervised by a graduate physician.

(3) The program is well rounded, giving at all times consideration to character development, physical culture and wholesome amusement.

(4) Absolute safety measures are constantly practiced on our waterfront and all precautions have been taken to safeguard against accidents.

(5) Our mess is under the supervision of a food expert and staff who serve wholesome and appetizing food at all times. Do not send any "sweets" to your boy while he is in camp.

(6) Careful supervision of a Scout's religious life on a non-sectarian basis finds a prominent place on our program.

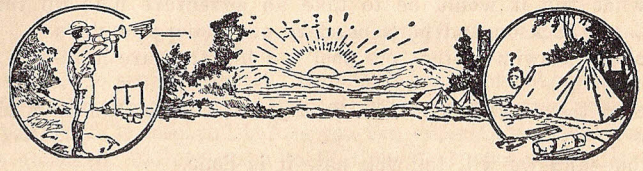
(7) Camp Barstow is NOT operated for profit, therefore every dollar taken in goes toward promoting a better summer for the Scout.

(8) Nine sleeping shacks with cot-pads on steel cots, housing eight Scouts each, are provided. All are screened.

VISITING HOURS

Visitors will be allowed in Camp this year only on Thursday, Saturday afternoon and Sundays between the hours of 7 A.M. and 9:15 P.M.

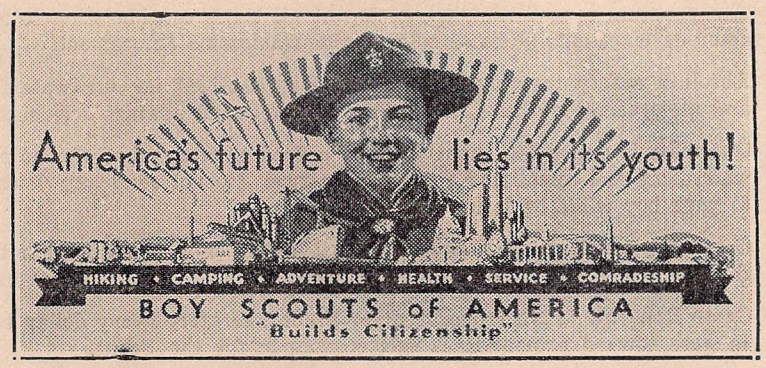
We are trying to put across a good program for your boy during the other hours of the week. Your cooperation by observing the above visiting hours will aid us greatly in accomplishing our objectives.



A WORD TO SCOUTMASTERS

You are urged to study the Camp Dates, to select a period suitable for you and your troop to attend. When this is done—Register as units for the period decided upon, in order to build up that "Ole Troop Spirit". All Leaders will be the guests of the Camp, free, provided there are at least eight or more Scouts registered for one or more periods. The Council wishes to show their appreciation of the Troop Leaders' services throughout the year. . . So get your troop registered for one or more periods at CAMP BARSTOW.

Troop leaders will find Camp a fine place to better "Get Acquainted" with their troops, also a chance will be given all Leaders to secure more knowledge in Scouting, to attend a Camp Leaders Training Course while at Camp, not to mention the fellowship of the Camp Staff.



A WORD TO SCOUTS

CAMP!

That's the magic word that spells the difference between an uninteresting day, trying to find something to do in the city, and an eventful day, out in the great out-of-doors.

Here you have a camp that puts the OUT in scOUTing—that gives every Scout an opportunity to really live out in the open—getting some of the thrill of the Scouts of old—against a background of pine trees, wide open spaces, and blue skies.

How would you like to sit around a blazing camp-fire at night, listening to a thrilling tale of adventure?

Or wouldn't it be great to go in swimming every day?

And what fun it would be to take an adventure hike up through the trails of Camp Jackson and perhaps sleep out under the stars.

How about a swim in the "ole pool"—a big treasure hunt—or an Indian pow-wow?

And then there are those tests that you have been wanting to pass for some time.

Read on—and we will tell you how it is done.

LEADERSHIP

A most important consideration in any boys' camp is its leadership. Without that, a camp with the finest equipment possible would be a failure.

Men selected for leadership at camp are of the very highest type, considered not only from the standpoint of character and knowledge of Scoutcraft but also because of their understanding of boys and experience in boy leadership.

CAMP FEE AND TRANSPORTATION

The Camping Committee has placed the fee at $1.00 per day, each Scout will have to register for not less than a week. This includes all camp expenses, except goods bought for use in "Craftwork".

If a full patrol from the troop signs for camp a reduction will be made according to the scale given below. All patrols must be *bona fide.*

One Scout or less than a Patrol (each Scout) ..	$7.00 per week
One Patrol all Scouts registering (each Scout) ..	$6.50 per week
Two or more Patrols registering (each Scout) ..	$6.00 per week
Scouts registering for 4 weeks or more	$6.00 per week

SCOUTS PROVIDE OWN TRANSPORTATION TO AND FROM CAMP

Applications must be signed by Scoutmaster and Parent or Guardian.

Registration fee of $2.00 must accompany application, which must be turned in to Scoutmaster or at Scout Headquarters. This money will apply on Scout's regular camp fee. In case Scout fails to report at camp, registration fee will not be refunded. This is to insure your place at camp in the period for which you register.

PHYSICAL EXAMINATIONS

Don't forget to see the Doctor. He should sign your Application, so we'll know its O. K. for you to take part in all the programs that will be given in camp for you. This is essential before you can enter CAMP BARSTOW. A blank for this is attached. No exception to this physical examination can be made.

WATERFRONT

The diving tower, springboards and platforms that have been replaced in Lake Urquhart will make swimming a REAL pleasure.

The Lake will be divided into different sections for all classes of swimmers such as—Beginners, Splashers, Swimmers, Advanced Swimmers—You won't recognize the "ole swimming hole!"

Ropes will mark off the areas and serve for Life Lines in cases of emergency. Life guards on duty at all times.

SWIMMING

All swimming is done under the personal supervision of an adult Red Cross Life Saving Examiner and his crew and no Scout is allowed near the waterfront except during regular swimming hours. No accidents have ever occurred at the CAMP BARSTOW waterfront, due to the constant vigilance of the Life Saving Crew.

CANOEING AND BOATING

CAMP BARSTOW is fortunate in possessing a flotilla of splendid canoes from which campers derive a great deal of pleasure. Expert canoeists hold regular classes in paddling and handling and water sports and canoe games are frequently added to the weekly program.

Instruction is also given in rowing and the camp boats are used by the campers every day throughout the season.

All canoeing and boating is done under the supervision of the Life Saving Crew.

CRAFTWORK ACTIVITIES

The crafts will all be featured again this year.

The woodwork building which was popular during camp last year will be in great shape for Scouts to indulge in woodwork, woodcarving, manual training, carpentry, etc.

A new craft shop has been erected where leatherwork, beadwork, silver work and other crafts that are taught by Dan, the Indian counselor, can be done.

Metal work, tincancraft and blacksmithing will be featured this year under the instruction of a competent counselor in this branch.

Model boat building will be featured this year under the instruction of the Sea Scouts who are at camp.

Model aeroplanes will be featured. Models, parts, supplies, etc., for making these will be on hand for sale.

Archery will be one of the main features this year with facilities for Scouts to make their own outfits. Ready-made outfits will also be available.

Woodcraft, Campcraft and Nature Study will also be one of the main features. A Museum has been added to this activity.

Marksmanship will again be a popular pastime with rifle shooting at the rifle range under the instruction of a real marksmanship expert. SAFETY FIRST will be the first watchword.

Pioneering will be available to all interested. This will afford all Scouts a chance on camp improvements towards obtaining a CAMP BARSTOW EMBLEM.

Art, Drawing, Painting and Plaster Casting will also be offered to those interested along this line.

Moving Pictures, Tennis and other Games will be offered on certain days of each period. The tennis courts are ready this year.

Basketball, volley ball, baseball, track and all other forms of athletics will be featured this year at Camp Barstow.
