# Have The Time Of Your Life ...

## THE CAMP...

Camp Barstow is a 962 acre camping reservation located 16 miles from Columbia highway 321 south near Gaston, S.C. operated by the Indian Waters Council, Boy Scouts of America for the Scouts in Central South Carolina - like your son.

## THE WATERFRONT...

The most popular spot on a warm day is in the cool waters of the 37 acre Lake Urguhart. Here at the waterfront, swimming lessons are given for the beginner, while more experienced scouts may work on merit badges such as swimming, rowing, canoeing, small boat sailing, and lifesaving.

Older Scouts may undergo a lifeguard B.S.A. program from the fully qualified waterfront staff. Lifeguards are on duty during any recreational or instructional swimming or boating activity, and the "**Buddy System**" is used. The buddy system requires each Scout swimming to have a buddy swimming with him. A **Buddy Board** used by the swimmers keeps track of who is in the water at any given time and how well they can swim.

The lake is also the scene of the "Mile Swim", an exciting event for qualified swimmers only, who can earn a special patch if they go the distance. Adult Scout Leaders are instructed in the 8-point Safe Swim Defense Plan which they use throughout the year for their own Troop swims.

Recreation swims, plus canoeing and sailing, are big hits during a Scout's free time.

## PARENT/VISITOR NIGHT...

### (The Barstowree and Order of the Arrow Tap-out)

Every Wednesday evening during the regular weeks of camp, parents and visitors are invited to visit the camp.

You may bring a picnic supper for your family and son(s) or join in our camp buffet (6-6:30 p.m., \$2.50) by calling the camp by Tuesday to make reservations. Following your picnic or camp buffet the troops compete in several Scouting Skills (BARSTOWREE) starting at 7:00 p.m. Following the Barstowree and a visit to your son(s) campsite, the Order of the Arrow (Scout honor campers) conducts an impressive tap-out ceremony and Indian Pagentry Campfire starting at 8:45 p.m.

## ADVANCEMENT

The staff at Camp Barstow is composed of the most knowledgeable adults and young men that can be gathered in this area. Most of out-of-doors merit badges required for the Eagle Rank, plus skill awards, are instructed at camp.

The program areas consist of the Waterfront, Scoutcraft-Campcraft, Ecology-Conservation, Handicrafts, Fieldsports (rifle, skeet, archery), and the Health Lodge. Your Scoutmaster has a Leader's Guide describing these program areas in detail.

## MEALS

Camp Barstow offers a dining hall with three nutritious meals daily. Three meals are prepared by the Scouts during the week. Plus, food for troops preparing trail meals on outpost trips away from the main camp are available.

## THE COST...

### 1983 Camp Fee & Early Bird Patch

All Scouts taking advantage of the \$10.00 discount will receive a specially designed 1983 Camp Barstow Early Bird Patch.

The \$10.00 discount works like this:

**The fee is \$55.00 per Scout if a boy pays \$10.00 by April 1, 1983** (this qualifies him to receive the Early Bird Patch), and the **balance of \$45.00 by May 1, 1983**. The \$10.00 is transferrable but not refundable. **The fee after May 1, 1983 is \$65.00 per Scout.**

Any new Scout who joins Boy Scouting after April 1, 1983 may still take advantage of the \$55.00 (\$10 discount) fee if paid in one lump sum prior to his troop's week at Camp Barstow.

Scouts attending camp with their Scout Troop should register with and pay all fees to their Scoutmaster.

If a boy is unable to attend camp with his Troop, he may attend the provisional Troop with the leadership furnished by the camp. Provisional Scouts camping with the camp's provisional Troop pay \$75.00 per Scout and may not take advantage of the discount. All provisional campers make reservation and pay fees to Council Service Center. **SCOUTS MAY ATTEND BARSTOW AS MANY WEEKS AS THEY WISH.**

# GUIDE FOR PARENTS

## "How To Register Your Son for Camp Barstow"

**STEP 1.** Check with your son's Scoutmaster to determine what week his troop is planning to attend. The fee is \$55.00 per Scout if your son pays \$10.00 by April 1, 1983 (this qualifies him to receive the Early Bird Patch) and the balance of \$45.00 by May 1, 1983. The \$10.00 is transferrable but not refundable. After May 1, the fee is \$65.00. Scouts attending camp with their Scout Troops should register with and pay all fees to their Scoutmaster.

**PROVISIONAL PLAN:** If your son's troop has not planned to attend Camp Barstow you may choose to use the "Provisional Plan". This simply means that the camp provides the troop leadership. The provisional troop program is available each of the regular weeks of camp. The fee is \$75.00 per week for the provisional troop program. All provisional campers make reservation and pay fees to Council Service Center.

**STEP 2.** Help your son develop a savings plan so he may pay his \$10.00 by April 1, 1983 and qualify to receive "the Early Bird Patch."

**STEP 3.** Your son's troop will have a special Parent-Camp-Information Night some time in early spring. At this important meeting you will receive the latest information on his troop's program plan, transportation, baggage, etc.

**TRANSPORTATION:** Scout Troops and provisional Scout Campers will arrange their own transportation to Camp Barstow. Check-in is Sunday afternoon from 2:00-4:00. Check-out is Saturday morning from 9:00-11:00.

**PHYSICAL EXAM & HEALTH SERVICES:** Each Scout is required to have a medical exam by a licensed physician prior to attending camp. However, you need only have the physician review you son and sign the form if he has had a physical exam within the last three years. Forms are available from your Scoutmaster or Council Service Center. During camp the health lodge will be staffed by a qualified health officer. Should any emergency arise, they will be handled at Lexington County Hospital. The camp fee provides Accident and Sickness insurance for all Scout campers.

## The Camp Staff

You can feel secure in the staff helping your Scoutmaster to provide a good summer camp program for your son and other Scouts from your troop while at camp. The Camp Director, Camp Ranger, Program Director, Field Sports Director, Aquatic Director and Camp Commissioners are trained and certified by the National Camp School of the Boy Scouts of America. In addition, many staff have American Red Cross C.P.R. training.

**CAMP BARSTOW IS A NATIONALLY ACCREDITED CAMP AND RECEIVED AN "A" RATING FROM THE BOY SCOUTS OF AMERICA.**

Camp Barstow and the Indian Waters Council offers a program to everyone without regard to race, creed, or national origin.
