1988 CAMP BARSTOW

WHERE MEMORIES BEGIN . . .

---

. . . AND CONTINUE!

---

The most popular spot on a warm day is in the cool waters of Lake Urquhart. Here lessons are given for the beginner, while more experienced Scouts may work on badges in swimming and boating. Afternoon or evening recreational swims are a great way to complete a FUN day at summer camp.

#### PATHFINDER . . .

The First-Year Camper Program was designed for the Scout who is a First Year Camper or Scouts less than First Class in rank. Therefore, it focuses on fundamental skills. It also provides for the exploration of new areas of interest.

# MY OLD CAMP BARSTOW HOME

## AQUATICS . . .

This week specializes in waterfront activities including the instruction of all waterfront merit badges and Scout lifeguard. It's an intense week of special aquatic training.

## VOYAGER '88 . . .

"Black water" canoeing from Orangeburg, S. C. to Givhans Ferry State Park--over 80 miles of it. New for 1988, this program promises to be the highlight of the summer for 25 Scouts.

In addition to receiving a special 'Voyager' patch segment, all Scouts should earn the "50 Miler-A Foot Afloat" Award. Each Scout will receive these patches at their special closing campfire and feast at Givhans Ferry. Canoeing, swimming, special nature programs and fishing are just a part of this very limited expedition.

## GUIDE FOR PARENTS:

### "How to Register Your Son for Camp Barstow"

**STEP 1.** Check with your son's Scoutmaster to determine what week his troop is planning to attend. The fee is \$80.00 per Scout if your son pays \$30.00 by April 29, 1988, (this qualifies him to receive the "Early Bird" segment) and the balance of \$50.00 by June 12, 1988. The \$30.00 is transferrable, but not refundable. After May 1, the fee is \$90.00. Scouts attending camp with their Scout troops should register with and pay all fees to their Scoutmaster.

**PROVISIONAL PLAN:** If your son's troop has not planned to attend camp, or he wishes to attend a 2nd or 3rd week, you may choose to use the "provisional plan." This simply means that the camp provides the troop leadership. The provisional troop program is available each of the regular weeks of camp. All provisional campers make reservations and pay fees to the Council Service Center. Add \$5.00 to the fee for using the provisional plan.

**STEP 2.** Help your son develop a savings plan so he may pay his \$30.00 by April 29, 1988 and receive the "Early Bird" patch segment.

**STEP 3.** Your son's troop will have a special Parent/Camp/ Information Night sometime in early spring. At this important meeting you will receive the latest information on his troop's program plan, transportation, baggage, etc.

**TRANSPORTATION:** Scout troops and provisional Scout campers will arrange their own transportation to Camp Barstow. Check-in is Sunday afternoon from 2:00-4:00. Check-out is Saturday morning from 9:00-11:00.

**PHYSICAL EXAM & HEALTH SERVICES:** Each Scout is required to have a medical exam by a licensed physician prior to attending camp. However, you need only review the form, health history, and sign if he has had a physical exam within the last three years. Forms are available from your Scoutmaster or Council Service Center. During camp the Health Lodge will be staffed by a qualified health officer. Should any emergency arise, it will be handled at Lexington Medical Center. The camp fee provides accident and sickness insurance for all Scout campers.

### THE CAMP STAFF...

You can feel secure in the staff helping your Scoutmaster to provide a good summer camp program for your son and other Scouts from your troop while at camp. The Camp Director, Camp Ranger, Program Director, Field Sports Director, Aquatic Director and Camp Commissioners are trained and certified by the National Camp School of the Boy Scouts of America. In addition, many staff have American Red Cross C.P.R. training.
