For the health and safety of all participants, the following precautions and recommendations will be observed. Registered participants experiencing a fever or other symptoms of COVID-19 or other transmittable condition should stay at home and not attend the Reunion. Upon arrival at check-in, a temperature check will be done on all participants. Individuals with an elevated temperature will not be able to participate. The dining hall will be set up for and limited to 60% of capacity (210). When inside the dining hall or other building or in close proximity to others, participants who have not been vaccinated or who otherwise are at increased risk are encouraged to wear a face covering. Face coverings are available for those who desire one.

Camp Barstow Grace

*For the Brotherhood of Camping, the Spirit of Scouting,
The sun on the water, the rain that falls on our red Earth,
And the Food we have before us, We Thank Thee, O'Lord,
Amen*
